Provided Tenant is not in default under any term of this Lease Tenant shall receive a rent credit for (i)) one-half of the monthly fixed rent due ($13,000.00) for the sixth month following the Commencement Date; (ii) one-half of the monthly fixed rent due ($13,000.00) for the seventh month following the Commencement Date; (iii) one-half of the monthly fixed rent due ($13,000.00) for the eighteenth month following the Commencement Date; and (iv) one-half of the monthly fixed rent due ($13,000.00) for the nineteenth month following the Commencement Date.

In the event of any failure on the part of Tenant to pay any additional rent, Landlord shall have all the rights, powers and remedies provided for in this Lease, at law, in equity or otherwise, in the case of nonpayment of fixed rent. Nothing herein shall be construed to extend the due dates of Tenant's payments under this Lease, or to waive any rights or remedies of Landlord in the event of Tenant's late payment. Tenant's obligations to pay fixed rent and additional rent shall survive the expiration of the Lease term or earlier termination of this Lease.

The provisions of this Article are in addition to all other rights or remedies available to Landlord for nonpayment of fixed rent or additional rent under this Lease and at law and in equity. Tenant further agrees that the Late Charge imposed is fair and reasonable, complies with all laws, regulations and statutes, and constitutes an agreement between Landlord and Tenant as to the estimated compensation for costs and administrative expenses incurred by Landlord due to the late payment of rent to Landlord by Tenant. Tenant further agrees that the Late Charge assessed pursuant to this Lease is not interest and the Late Charge assessed does not constitute a lender or borrower/creditor relationship between Landlord and Tenant or a penalty of any kind. It is understood that said late charge is directly related to Landlord's actual costs and expenses incurred as a result of late payment.

All fixed rent and additional rent (collectively hereinafter referred to as "rent") shall be paid in such coin or currency (or, subject to collection, by good check payable in such coin or currency) of the United States of America as at the time shall be legal tender for the payment of public and private debts, at the office of Landlord as set forth above, or at such place and to such person as Landlord from time to time may designate.

Tenant shall make all rental payments in full. Payment or receipt of a rental payment of less than the amount stated in this Lease shall be deemed to be nothing more than partial payment on account. Under no circumstances shall Landlord's acceptance of a partial payment constitute accord and satisfaction. Nor will Landlord's acceptance of a partial payment forfeit Landlord's right to collect the balance due on the account, together with applicable late charges and interest despite any endorsement, stipulation, or other statement on any check.

Landlord may accept any partial payment check with any conditional endorsement without prejudice to its right to recover the balance remaining due, or to pursue any other remedy available under this Lease, law or equity.

Landlord in its sole discretion may allocate without prejudice any payment in whole or in part to any due item of fixed rent, additional rent and/or any other charges or to any combination thereof.

If Landlord commences any action or proceeding against Tenant, or if Landlord is required to defend any action or proceeding commenced by Tenant, in connection with this lease or the Premises, and Landlord shall be the prevailing party in any such action for proceeding, Landlord shall be entitled to recover from Tenant in such action or proceeding, or a subsequently commenced action or proceeding, Landlord's reasonable attorneys' fees, costs and disbursements and all applicable interest thereon at the statutory rate incurred in connection with such action or proceeding and any appeals, including but not limited to fees on fees incurred to collect said monies.

Landlord's failure during the Lease term to prepare and deliver any of the statements, notices, or bills for rent and/or additional rent or Landlord's failure to make a demand, shall not in any way cause Landlord to forfeit or surrender its rights to collect any of the items of rent and/or additional rent that may have become due during the term of this Lease. Tenant's liability for all such amounts due under this Lease shall survive the expiration of the Term. Nevertheless, any sums due under the Lease must be claimed within two years of when due or within one year from expiration of the Lease.

40A. Term of Lease

The term of this Lease shall commence on October 15, 2018 (the Commencement Date") and shall end, unless sooner terminated as hereinafter provided, on the last day of the calendar month in which the day following the ten (10) year anniversary of the Rent Commencement Date (as defined in Article 40 of this Lease) occurs (the "Expiration Date") (from the Commencement Date to the Expiration Date being the "Initial Term", as may be extended pursuant to and in accordance with Section 72 hereof.

41. Escalations

Tenant shall pay, during the term of this Lease, the additional rent provided for in this Article 41. As used herein, the following terms shall have the meanings set forth below:

“Taxes” shall mean the total of all real estate taxes and assessments and special assessments imposed, payable and paid upon the Premises described as the land and building in which the Premises are located including, without limitation, vault taxes, rents or charges, imposed by any Governmental Authority, of which the demised Premises forms a part. If at any time during the term of this Lease the methods of taxation prevailing at the commencement of the term hereof shall be altered so that in lieu of or as a substitute for the whole or any part of the taxes, assessments, levies, impositions of charges now levied, assessed or imposed on the real estate and the improvements thereon, there shall be levied, assessed or imposed (i) a tax, assessment, levy imposition or charge wholly or partially as capital levy or otherwise on the rents received therefrom, or (ii) a tax assessment levy upon the Building, Land Improvements or the Premises and imposed upon Landlord, or (iii) a license fee measured by the rents payable, or the part thereof so measured or based shall be deemed to be included within the term "Taxes" for the purposes hereof.

"Escalation Year" shall mean each twelve month period or portion thereof, ending on June 30, occurring within the term of this Lease.

"Base Year" shall mean the twelve month period ending on **June 30, 2022.**

"Base Year Taxes" shall mean the Taxes for the Base Year.

The "building" shall mean the land and the building of which the demised Premises forms a part.

"Tenant's Share" shall mean **35%.**

Tenant shall pay to Landlord, as additional rent, an amount equal to Tenant's Share of the amount by which Taxes for any Escalation Year during the term of this Lease exceed the Base Year Taxes.

Landlord shall submit to Tenant a statement setting forth the computation of the amount of such excess Taxes and Tenant's Share of each thereof including copies of applicable tax bills. Tenant shall pay Tenant's Share of such excess amount of Taxes within ten days after the rendition of such statement which shall separately calculate Tenant’s Share, however, the payment of Tenant's Share shall not be due earlier than 10 days before the corresponding Taxes are due to the taxing authority.

In no event shall the annual fixed rent under this Lease be reduced by virtue of this Article 41. The computations under this Article 41 are intended to constitute a formula for an agreed rental escalation and do not necessarily constitute an actual reimbursement to Landlord for costs or expenses paid by Landlord with respect to the building.

Upon the date of the expiration of the Lease term or earlier termination of this Lease, a proportionate share of the additional rent payable under this Article 41 for the Escalation Year during which such expiration or termination occurs shall immediately become due and payable by Tenant to Landlord. Said proportionate share shall be based on the length of time that the term of this Lease shall be within such Escalation Year. Promptly after such expiration or termination, Landlord shall compute the additional rent due from Tenant, as aforesaid, which computation shall be an estimate based upon the most recent annual statements theretofore furnished by Landlord to Tenant. Upon written request by Tenant, Landlord shall cause a final statement showing the computation of the actual additional rent due from Tenant for that Escalation Year to be prepared and furnished to Tenant, whereupon any appropriate adjustments of

amount owed to Landlord shall be made. The obligations of Tenant to pay additional rent as provided for herein shall survive the expiration of the Lease term or earlier termination of this Lease. If Tenant continues in possession of the Premises after the expiration of the Lease term or earlier termination of this Lease, as a month to month tenant or otherwise, the provisions of this Article 41 shall continue in full force and effect for so long as Tenant remains in possession of the Premises.

The additional rent provided for herein shall be collectible by Landlord in the same manner as the regular installments of fixed rent due under this Lease. Notwithstanding anything set forth elsewhere in this Article or elsewhere in this Lease, no delay or failure by Landlord in preparing or delivering any statement or demand for any additional rent, including but not limited to the statements and/or demands provided for in this Article, shall constitute a waiver of, or impair Landlord's rights to collect, such additional rent.

The billing statements provided by Landlord for the charges due pursuant to this Article 41 shall constitute a final determination as between Landlord and Tenant of the additional rent for the periods represented thereby, unless Tenant within thirty days after they have been furnished shall give a written notice to Landlord that Tenant disputes their accuracy or appropriateness, which written notice shall specify the particular respects in which the statement is inaccurate or inappropriate. Pending the resolution of such dispute, Tenant shall pay the additional rent to Landlord in accordance with thestatements furnished by Landlord.

In addition to Taxes as set forth above, Tenant shall pay within ten (10) days after invoice therefor,including copies of applicable bill, an amount equal to Tenant's Share of the amount by which any charges imposed by any Business Improvement District on the Premises or any Escalation Year during the term of this Lease exceed Business Improvement District Charges in the Base Year.

Tenant agrees that any exercise of its rights pursuant to this Lease shall not be done in a manner that would: (a) create any work stoppage, picketing, labor disruption, or dispute; (b) materially interfere with the business of Landlord or any tenant or occupant of the Building. In the event of the occurrence of any condition described above arising from Tenant's exercise of any of its rights pursuant to this Lease, Tenant shall, immediately upon notice from Landlord, cease the manner of exercise of such right giving rise to such condition. In the event that Tenant fails to cease the manner of exercise of its rights as aforesaid, Landlord, in addition to any rights available to it under this lease and pursuant to law, shall have the right to injunction without further notice.

In the event that Tenant fails to comply with the terms of this paragraph within 90 days after the completion of Tenant's Alterations, then in that event, Landlord may, but is not required to, take such steps as are commercially reasonable to close out all permits, obtain final sign-offs and a Letter of Completion and otherwise act to cause Tenant's obligations under this paragraph to be satisfied and thereupon Tenant shall reimburse Landlord for all costs and fees incurred by Landlord in connection therewith as additional rent within 15 days of demand by Landlord for payment.

Subject to all of the foregoing provisions hereof, including without limitation, the compliance with Requirements, Tenant shall only be permitted to commence and carry on Tenant's Alterations provided: (i) Tenant delivers to Landlord not less than three (3) days prior to the commencement of Tenant's Alterations, an endorsement of its liability insurance policy referred to herein, covering and holding Landlord harmless against any and all claims or liability arising out of Tenant's Alterations; (ii) Tenant delivers to Landlord, not less than five days prior to the commencement of Tenant's Alterations, sufficient proof that Tenant's contractors maintain workers compensation insurance to cover all persons engaged in Tenant's Alterations; and (iii) Landlord is reasonably satisfied that Tenant's contractors will perform Tenant's Alterations in a first-class workman-like manner, using all first-class materials.

connection with any work performed by or for Tenant. The Premises and the Building shall at all times be free of liens for labor and materials supplied or claimed to have been supplied to or on behalf of Tenant, and no financing statements or other security instruments shall be filed against the Premises or the Building or the contents thereof. This shall not preclude the filing on Tenant's equipment.

Tenant shall not directly or indirectly create or permit to be created any mortgage, lien, security interest, pledge, conditional sale, or other encumbrance on the Premises or any part thereof, Tenant's interest under this Lease, or any rent hereunder. The foregoing shall not apply to liens for impositions not yet due, or liens of mechanics, materialmen, suppliers or vendors, incurred in the ordinary course of business for sums which are not yet due, provided that adequate provision for the payment thereof shall have been made and the following paragraph is complied with.

If, in connection with any work being performed by or for Tenant or any subtenant, or in connection with any materials being furnished to Tenant or any subtenant, any mechanic's lien or other lien or charge shall be filed or made against the Premises or any part thereof, or if any such lien or charge shall be filed or made against Landlord, then Tenant, at Tenant's expense, within 30 days after such lien or charge shall have been filed or made, shall cause the same to be canceled and discharged of record by payment thereof or filing a bond or moving to file a bond or otherwise. Tenant promptly and diligently shall defend any suit, action or proceeding which may be brought for the enforcement of such lien or charge; shall satisfy and discharge any judgment entered therein within ten days after the entry of such judgment by payment thereof or filing a bond or otherwise; and on demand shall pay any and all liability, claim, loss, damage or expense, including reasonable attorneys' fees, suffered or incurred by Landlord in connection therewith.

Nothing in this Lease shall constitute any consent or request by Landlord, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Premises or any part thereof, nor as giving Tenant any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in any fashion that would permit the filing or making of any lien or claim against Landlord, the Premises or the Building. Landlord shall have the right, from time to time, to place upon the Premises in a conspicuous place such sign or other notice as Landlord may deem necessary or appropriate so as to give notice to others of the provisions of the preceding sentence.

Tenant agrees to secure and maintain as its sole responsibility and, at its own expense, all licenses and permits from Federal, State, and local authorities as may be necessary for the conduct of Tenant's business, and shall comply with all applicable laws, rules and regulations. Landlord does not represent that any license or permit, which may be required will be granted or, if granted, will continue in effect or be renewed. Tenant's obligations under this Lease shall in no way be affected by Tenant's inability to secure or maintain any license or permit. Landlord will cooperate with Tenant in obtaining any such licenses or permits.

Tenant's requirements. At all times during the term of this Lease, Tenant shall comply with all rules and regulations of governmental authorities and the public utility applicable to service, equipment, wiring and changes in requirements.

Tenant covenants and agrees that its use of electric current shall never exceed the capacity of the existing conductors, feeders, risers, wiring installations or other equipment servicing the Building. Tenant shall not alter or make any addition to the electrical equipment without the prior written consent of Landlord. Landlord shall not unreasonably withhold its consent to the installation of new risers and equipment if, in Landlord's opinion, they are reasonably necessary and do not cause permanent damage or injury to the demised Premises or Building or create a dangerous or hazardous condition or entail excessive or unreasonable alterations. If Landlord grants such consent, all additional risers and other equipment shall be provided by Tenant by licensed and insured electricians.

Landlord reserves the right to interrupt, suspend, or cease any of the services referred to herein when necessary by reason of accident, or repairs, alteration, or improvements which in Landlord's option are necessary or desirable, or difficulty or inability in securing supplies or labor, or strikes, or any other cause beyond the reasonable control of Landlord whether similar or dissimilar to those herein above mentioned. Tenant shall not be entitled to any diminution or abatement of rent or other compensation, and Tenant's obligations under this Lease shall not be affected or reduced, by reason of any interruption, suspension or cessation of services except as otherwise provided herein. No interruption, suspension or cessation of services shall constitute a constructive or partial eviction. Landlord shall use its best efforts to perform repairs at reasonable times and upon notice. Where possible, Landlord shall provide Tenant with reasonable notice of such interruption of service.

Landlord does not represent that the electricity at the Premises is adequate or appropriate for Tenant's intended use.

52. Limited Liability

Tenant agrees that, notwithstanding any other provision of this Lease, Landlord shall not be under any personal liability under this Lease and, if Landlord defaults hereunder, Tenant shall look solely to the interest of Landlord or its successor in the Premises for the satisfaction of any judgment or other judicial process requiring the payment of money by Landlord based upon any default hereunder, and no other assets of Landlord or any such successor shall be subject to levy, execution, or other enforcement procedure for the satisfaction of any such judgment or process. Upon any conveyance or transfer of the Building, the transferor shall be relieved from all liability hereunder.

Landlord shall not be held liable for any injury to or death of any person or persons, or injury or damage to merchandise, goods, furniture, fixtures or other property, from theft or accident, or from steam, gas, electricity, water, rain which may seep into, issue or flow from the Building, unless same shall be due to Landlord's gross negligence or willful misconduct.

53. Indemnification by Tenant

To the extent not otherwise provided herein, and excluding statutory and/or common law negligence of or willful action by Landlord, its agents, servants and/or employees, Tenant shall defend, indemnify and save harmless Landlord and its agents and employees against and from all liabilities, obligations damages, penalties, claims, costs, charges and expenses, including reasonable attorney's fees, which may be imposed upon or incurred by or asserted against Landlord and/or its agents by reason of any of the following occurring during the term: (a) anything done in, on or about the Premises or any part thereof by or at the instance of Tenant, its agents, contractors, subcontractors, servants, employees, licensees, or invitees; (b) any negligence or otherwise wrongful act or omission on the part of Tenant or any of its agents, contractors, subcontractors, servants, employees, licensees, or invitees; (c) any accident, injury, or damage to any person or property occurring in, on or about the Premises or any part thereof; (d) any failure on the part of Tenant or any Licensee to perform or comply with any of the covenants, agreements, terms, provisions, conditions or limitations contained in this Agreement on its part to be performed or complied with. In case any action or proceeding is brought against Landlord by reason

of any such claim, Tenant upon written notice from Landlord shall, at Tenant's sole cost and expense, oppose or defend such action or proceeding by counsel approved by Landlord in writing, which approval Landlord shall not unreasonably withhold.

54. Insurance

Tenant, at all times during the term of this Lease and at Tenant's expense, shall provide and keep in force with insurers reasonably approved by Landlord Commercial General Liability insurance against all claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Premises, such insurance (a) to be on an occurrence basis with a general aggregate of not less than $3,000,000, including umbrella coverage, (b) to cover at least the following hazards (1) Premises and operations, including but not limited to flooding, backup of sewers and drains, burglary, theft, and plate glass (2) Tenant's independent contractors; (3) contractual liability for all written and oral contracts; and (4) contractual liability covering the indemnitees contained elsewhere in this Lease, and Liquor Law legal liability insurance.

Tenant hereby waives any and all rights of recovery against Landlord, its officers, members, agents, and employees, occurring on or arising out of the use and occupation of the Premises or the building to the extent such loss or damage is covered by proceeds received from insurance required under this Lease to be carried. This waiver of subrogation provision shall be limited to loss or damage to the property of Landlord and Tenant and bodily injury to employees, officers, agents of each party and any other injured member of the public. Tenant shall indemnify Landlord against any loss or expense, including reasonable attorneys' fees, resulting from the failure to obtain such waiver. This waiver shall be in addition to, and not in limitation or derogation of, any other waiver or release contained in this Lease with respect to any loss of, or damage to, property of the parties hereto or bodily injury to either party or to members of the public. Inasmuch as the above waiver will preclude the assignment of any aforesaid claim by way of subrogation to an insurance company, Tenant agrees immediately to give to each insurance company providing a policy described in this Article, written notice of the terms of said waiver, and to have said insurance policies properly endorsed, if necessary, to prevent the invalidation of said insurance coverages by reason of said waiver.

Upon the execution of this Lease and thereafter not less than fifteen days prior to the expiration date of any policy delivered pursuant to this Article, Tenant shall deliver to Landlord the originals of all policies or renewal policies, as the case may be, required by this Lease, bearing notations evidencing the payment of the premiums therefor, which premiums may be paid by Tenant in installments if such payment of premiums by installments is provided for and permitted by such original or renewal policies . Such insurance may be provided through a blanket policy or policies in form and substance satisfactory to Landlord. Such blanket policies shall provide specific allocation to the demised premises of the coverage afforded thereby, and shall give to Landlord no less protection than that which would be afforded by separate policies.

If at any time Tenant shall neglect or fail to provide or maintain insurance or to deliver insurance policies in accordance with this Article, Landlord may effect such insurance as agent for Tenant, by taking out policies in a company satisfactory to Landlord, and the amount of the premiums paid for such

insurance shall be paid by Tenant to Landlord on demand. Landlord, in addition to Landlord's other rights, powers and remedies, shall be entitled to recover as damages for any breach of this Article the uninsured amount of any liability, claim, loss, damage or expense, including reasonable attorneys' fees, suffered or incurred by Landlord, and shall not be limited in the proof of damages which Landlord may claim against Tenant to the amount of the insurance premiums not paid or incurred by Tenant which would have been payable for such insurance.

55. Estoppel Certificates

Tenant shall execute, acknowledge and deliver to Landlord, promptly upon request, but not more often than annually, a certificate provided by Landlord stating: (a) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that this Lease is in full force and effect, as modified, and identifying the modifications); (b) the commencement and expiration dates of the term of this Lease; (c) the dates through which fixed rent and additional rent have been paid; (d) whether or not there is any existing default by Landlord or Tenant with respect to which a notice of default has been delivered, and if there is any such default, specifying the nature and extent thereof; (e) that this Lease is subordinate to any existing or future mortgage placed by Landlord on the Building; and (f) whether or not there are any setoffs, defenses or counterclaims against the enforcement of any of the agreements, terms, covenants or conditions of this Lease to be paid, complied with or performed by Tenant. Any such certificate may be relied upon by Landlord and any mortgagee, purchaser or other person with whom Landlord may deal.

56. Security Deposit

Upon execution of this Lease, Tenant has deposited with Landlord the sum of **$78,000.00** in good funds as security for the full and faithful performance and observance by Tenant of the terms, covenants and conditions of this Lease (the “Security”). Such use, application, or retention by the Landlord shall be without prejudice to Landlord’s rights to seek any and all additional rent and/or damages that may have accrued. If Tenant shall fully and faithfully observe and perform all of the terms, covenants, and conditions of this Lease, the Security, shall be returned to Tenant after the end of the term of this Lease or at permissible early termination as provided herein and the delivery of possession of the demised Premises to Landlord.

Landlord shall not be obligated to place the Security in an interest bearing account. The annual interest or amounts earned and received on such Security shall be retained by the Landlord and shall be deemed as additional rent. If the entire Security, or any portion thereof, be applied by Landlord, then Tenant will on Landlord's written demand remit to Landlord as Additional Rent hereunder within ten (10) days of such demand a sufficient sum in cash to restore said Security to the amount required as set forth in this Article.

In the event of a sale, transfer or leasing of the Premises by Landlord, Landlord shall have the right to transfer the Security to the vendee, transferee or lessee, whereupon Landlord shall be deemed released by Tenant from all liability for the return of said Security, except that Landlord shall remain responsible for the Security Deposit paid hereunder, until such time as [a] a successor landlord or party in interest assumes in writing the obligations therefore and [2] Landlord provides notice of assignment to Tenant. In such event, Tenant agrees to look solely to such new Landlord for the return of said Security. This Article shall apply to every transfer or assignment of the Security to a new Landlord. Tenant shall not assign or encumber the Security, and Landlord shall not be bound by any such assignment and encumbrance.

The Security being held pursuant to this Article shall at all times be an amount equal to

three (3) times the monthly fixed rent then reserved under Article 40 of this Lease. On the first day of the month following each anniversary of the Rent Commencement Date of this Lease, Tenant shall pay to Landlord funds sufficient so that the un-applied Security held by Landlord shall at all times equal three times the monthly fixed rent then reserved under Article 40 of this Lease.

70. Additional Rent – Building Maintenance

If, at any time during the term of this lease, Landlord expends any sum for alterations or improvements to the Building which directly and materially affect the Premsies and are required to be made pursuant to any law, ordinance, or governmental regulation, or any portion of such law, ordinance or governmental regulation, Tenant shall pay to Landlord, as additional rent, the "Tenant's Share" (as defined in Article 41 of this Lease) of such sum so expended by Landlord, within ten (10) days after demand therefore. If, however, the cost of such alterations or improvements is one which is required to be amortized over a period of time pursuant to applicable governmental regulations, Tenant shall pay to Landlord, as additional rent, during each year in which occurs any part of this Lease term, Tenant's Share of the reasonable annual amortization of the cost of the alterations or improvements made. For the purposes of this Article, the cost

of any alterations or improvements made shall be deemed to include but not be limited to the cost of preparing any necessary plans, permit applications, architects and/or engineer's fees and expenses, and the fees for filing such plans. (b) The terms and conditions set forth above in this Article shall be in addition to, and not in limitation of, Tenant's obligations set forth elsewhere in this Lease; and notwithstanding the terms and conditions set forth above in this Article, Tenant shall be obligated to comply with all of the terms and conditions set forth set forth elsewhere in this Lease.

71. Additional Rent - Sprinkler

Tenant shall pay to Landlord, as additional rent, $75.00 per month on the first day of each and every month commencing with the Commencement Date, for the term of this Lease, for sprinkler service.

72. Renewal Option

Tenant shall have the right, to be exercised as hereinafter provided, to extend the term of this lease for one (1) period of five (5) years ("Renewal Term") upon the following terms and conditions:

(a) that at the time of the exercise of each such right and at the commencement of the Renewal Term, Tenant shall not be in default beyond the applicable notice and cure period provided in this lease;

(b) that Tenant shall notify Landlord in writing that Tenant intends to exercise such option no later than the date that is twelve (12) months prior to the Expiration Date; and

(c) that the Renewal Term shall be upon the same terms, covenants and conditions as in this lease provided, except that (i) there shall be no further option to extend this lease beyond the Renewal Term referred to above; (ii) the Demised Premises shall be delivered in its then "as is" condition; and (iii) the Rent to be paid by Tenant during the Renewal Term shall be as follows: The Rent for the first year of the subject Renewal Term shall be equal to the greater of (A) ninety-five (95%) percent of the Fair Market Minimum Annual Rent (as hereinafter defined), but in no event higher than one hundred ten (110%) percent of the Rent payable during the Lease Year immediately preceding the first day of the Renewal Term, and (B) one hundred three (103%) percent of the Rent payable during the Lease Year immediately preceding the first day of the Renewal Term. Thereafter, the Rent for each year of the Renewal Term shall be increased by three (3%) percent of the Rent payable for the prior year of the Renewal Term. As used herein, the term "Fair Market Minimum Annual Rent" shall mean the rate then being received by landlords when entering into new leases for comparable size space in comparable buildings for a comparable term in the vicinity of the Building.

If Tenant timely exercises this Renewal Option, Landlord shall notify Tenant (the "Rent Notice") at least one hundred twenty (120) days before the Expiration Date of Landlord's determination of the Fair Market Minimum Annual Rent and Landlord's calculation of the Rent payable during the first year of the Renewal Term and during each successive year of the Renewal Term in accordance with the formula set forth above ("Landlord's Determination"). Tenant shall notify Landlord ("Tenant's Notice"), within thirty (30) days after Tenant's receipt of the Rent Notice, whether Tenant accepts or disputes Landlord's Determination, and if Tenant disputes Landlord's Determination, Tenant's Notice shall set forth Tenant's determination of the Fair Market Minimum Annual Rent and Tenant's calculation of the Rent payable during the first year of the Renewal Term and during each successive year of the Renewal Term in accordance with the formula set forth above ("Tenant's Determination"). If Tenant fails to give Tenant's Notice within such thirty (30) day period, Tenant shall be deemed to have accepted Landlord's Determination.

If Tenant timely disputes Landlord's Determination and Landlord and Tenant fail to agree as to the Fair Market Minimum Annual Rent (and, accordingly, the Rent payable by Tenant during the subject Renewal Term) within thirty (30) days after the giving of Tenant's Notice, then the Fair Market Minimum Annual Rent shall be determined as follows: A licensed real estate appraiser (the "Appraiser") shall be selected and paid for jointly by Landlord and Tenant. If Landlord and Tenant are unable to agree upon the Appraiser, then the same shall be designated by the American Arbitration Association ("AAA"). The Appraiser selected by the parties or designated by the AAA shall have at least ten (10) years' experience in the appraisal of retail space in Manhattan, NY. Landlord and Tenant shall each submit to the Appraiser and to the other its determination of the Fair Market Minimum Annual Rent. The parties shall instruct the Appraiser

to (A) conduct the hearings and investigations that he or she deems appropriate, and

(B) choose either Landlord's determination or Tenant's determination submitted to the Appraiser as the better estimate of Fair Market Minimum Annual Rent, being the determination which is closer to the Fair Market Minimum Annual Rent determined by the Appraiser using the definition set forth in this Article 72, within thirty (30) days after the date that the Appraiser is designated. The Appraiser's aforesaid choice shall be conclusive and binding upon Landlord and Tenant. Each party shall pay its own counsel fees and expenses, if any, in connection with the procedure described herein, and fifty (50%) percent of any AAA fees and fees of the Appraiser. Either Landlord or Tenant shall have the right to submit to the Appraiser any material in support of its determination of Fair Market Minimum Annual Rent within ten (10) business days of the date of the selection of the Appraiser. After a determination has been made of the Fair Market Minimum Annual Rent, the parties shall execute and deliver a lease amendment memorializing theextension of the Term as described in this Article 72 and setting forth the Rent payable by Tenant during the Renewal Term, but the failure to so execute and deliver any such instrument shall not affect the determination of Fair Market Minimum Annual Rent (and, accordingly, the Rent payable during the Renewal Term).

(iii) If Tenant timely disputes Landlord's Determination and if the final determination of the Fair Market Minimum Annual Rent shall not be made on or before the first day of the subject Renewal Term then, pending such final determination, Tenant shall pay, as Rent for the subject Renewal Term, an amount equal to Landlord's Determination. If, based upon the final determination of the Fair Market Minimum Annual Rent, the Rent payments made by Tenant for such portion of the subject Renewal Term were (i) less than they should have been, then Tenant shall pay to Landlord the amount of such deficiency within ten (10) business days after demand therefor, or (ii) greater than they should have been, then Landlord shall credit the amount of such excess against installments of Rent next coming due.

Time shall be of the essence with respect to all obligations under this Article 72.

73. Quiet Enjoyment

Provided this Lease is in full force and effect, Tenant may peaceably and quietly enjoy the Premises without hindrance by Landlord or any Person lawfully claiming through or under Landlord.
